

## THEATRE DEVELOPMENT

---

**CLIENT:**

Royal Surrey County Hospital,  
NHS Trust

**VALUE:**

£18m

**ROLE:**

Business Case Production,  
Project Management

K2 coordinated the production of the Outline and Full Business Case for this scheme, incorporating design and procurement options together with recommendations.

**Project Objectives:**

- To upgrade and increase current theatre provision at RSCH
- Create HTM compliant theatres
- Ensure lists are maintained with no disruption of service
- Increase efficiency within the theatres
- A new paediatric suite

**Project Deliverables:**

- Provision of four new modular theatres
- Refurbishment of existing five theatres
- Provision of new mechanical installation
- Modern medical equipment eradicating patient risk

**Project Challenges:**

- Working in live theatre environment
- Planning approval, disruption of Great Crested Newts
- Eradication of existing high level risks within the existing theatres
